

Scugog Soccer Association

New Referee Application Form

For the 2008 Outdoor Season
(Changed: Jan 5th, 2008)

General Information:

New for 2008: Applicants now need to be a minimum of 13 years of age as of April 1st, 2008 to take the OSA's C4 course. In 2009 the age will rise to 14.

There will however be a simplified course specifically for 12 year olds so they can be certified and registered (ie insured). Details are still being worked out between the OSA and DRSA and we hope Scugog will be able to host such a clinic.

Due to the circumstances listed above the Scugog Soccer Association may not have the numbers of kids to run a full C4 Referee Clinic. We may need to combine with Uxbridge or have our kids attend one in south Durham. These usually take place in late April or early May. You must attend both days of the C4 clinic to be certified. The SSA covers the full cost of this two day clinic and your first year's membership fees. We also supply a Ref shirt. After your first year you are responsible for the annual OSA Referee Fee (currently \$25 or \$40) depending on your age.

We rely heavily on email and the Scugog Soccer web site (www.scugogsoccer.ca) for communication of game assignments and confirmation of these assignments. Referees are expected to be on-time and ready to work when expected. They are also expected to take new or changed assignments when required as directed by club officials. New teenage C4s can expect to make approximately \$200 in their first year.
