

# Scugog Soccer Association - Select/Rep Fees Explained - April 14th, 2009

The Scugog Soccer Association is pleased to be able to field Select and Rep teams in 2009. This would be an impossible task without the dedication of each team's coaching staff, which has been working on plans, with the Scugog Soccer Board and our administrator for many months.

Scugog is a very small club when it comes to competing in the Select/Rep leagues and so our teams have a tough time winning against the much larger south Durham clubs, but winning is not our goal here. We are here to help develop your child's soccer and team skills. Please keep our club's goal, "**The Fun Pursuit of Excellence**" in the back of your mind throughout the season and remind each other once in a while.

You as parents play a huge role in our Select/Rep program. You need to be positive role models for all our players. Clubs and Refs will tell you the younger Select and Rep parents are the most, shall we say, enthusiastic group. Please keep your enthusiasm positive at all times towards referees, players, coaches and other parents, and remember our code of conduct which you have all agreed to. Nothing makes me prouder than to hear an opposing coach tell us our team was a pleasure to play.

The reason for this letter is to explain the additional costs of our Select/Rep program and how we come to the figure we need to charge. Please be aware that we **do not** require our Select/Rep teams to do any additional fundraising, and in fact we have strict rules around fundraising activities due to Insurance reasons (i.e. they are likely not covered). You may have additional fees later in the season but only if you wish to attend an additional tournament or purchased specific team equipment.

**Additional Rep Expenses** (Costs listed are per team and the an averaged per player, based on coach specified Roster size)

2nd set of uniforms	266	304
Player Books & additional Admin costs	120	160
Additional DRSA U10 & older Rep Fee	0	344
League Fee (DBSL/DGSL/CESL)	200	375
Tournament Fees	650	650
Sponsor Credit	-300	-300
<b>Team Sub Total</b>	<b>936</b>	<b>1937</b>

<b>Maximum Cost/Player</b>	<b>220</b>	<b>265</b>
<b>Call Up Player Fee</b> (players may order the warm up suit and bag if they wish, but it is not required.)	<b>35</b>	<b>50</b>

To help ease the cost for Select/Rep players, **the club will not require all players to have a warm-up suit.** You may order one if you wish (we will have a sizing date/time to be determined.) with your player number, or order just one or two individual pieces. Costs are listed above. We ask returning players to make sure their warm-up suits are in good repair.

Please be aware the club makes no profit on select/rep fees. In fact, we left out the additional Referee fees which are higher for Select/Rep games. Note that players will still get a photo, a ball and a Scugog T-shirt. U9G also participate in the DGSL year end Tournament on Aug 22/23. Please also realize that players are also getting many hours of certified soccer coaching at no cost.

If you have any questions on the information above (or any issue with our Rep or Select program) or would like to help out please the club head coach, any of the Rep coaches or the office. Our web site ([www.scugogsoccer.ca](http://www.scugogsoccer.ca)) has contact as well as lots of other information (including game schedules, news, images, etc.). Have a great soccer year!
